

# Womens Clothing

Bust – Measure around your chest at the fullest point of the bust, not under the bust, keeping the measuring tape horizontal.

Natural Waist– While standing up straight, bend at the waist to one side. The crease that forms is where your natural waist is located; measure there.

Hips – Measure around the widest part of your hips, usually around the base of your your hip bones.

SIZE	BUST (In.)	NATURAL WAIST (In.)	HIPS (In.)	CUP
