

This chart is a guide that can assist you in selecting the best size for your intended fit. The chart below refers to ***which of our sizes will fit into specific body measurements***. The chart does not specify our garment measurements. If, (after reviewing the chart), you are still unsure about which fit to choose, please contact us at **(949) 646-1701** and we will recommend the best size to meet your fitting expectations.
