### CARE, CLEANING & MAINTENANCE

Your Revision Speed Demon Sunglasses come with a microfiber pouch and case for storing. When not in use, always carry your eyewear in the provided pouch and case. To clean the lenses wash with water or eyewear cleaning spray and blot dry with a microfiber cloth. To avoid scratches, never wipe the lenses when they are dry (there may be dust or particles). Always use a microfiber cloth. Never use paper towels or other rough materials. Check your eyewear regularly to make sure the screws are tight. If you find one that is loose, tighten it gently with a small optical screwdriver. A 2.0mm screwdriver is recommended. Also, if your hinges are binding, use a little oil on the barrels to free them.

**STANDARDS:** The Revision Speed Demon Sunglasses eyewear meets the ANSI-Z87.1+ standards.
