

G22 MOUNT

NIGHT VISION GOGGLE MOUNT

PRODUCT OVERVIEW

The G22M mount has become a night vision goggle industry standard. The Wilcox G22 mount offers all the same benefits as the G24 minus the breakaway feature. What sets this mount apart is the extended fore/aft bridge. This extension of the bridge allows the end user to have more adjustment while wearing protective goggles, ballistic shields and gas masks.

FEATURES & BENEFITS

- Extended bridge for goggles, ballistic shields and gas masks
- Flip mechanism allows NVG to be stowed while not in use
- Dovetail shoe interface securely locks NVG's into place
- Several points of adjustment for proper eye relief
- 5 Year Standard Limited Warranty
